ABOUT SETTLEMENT HEALTH: Settlement Health is a community health center based in East Harlem. We have provided primary care and social services to this community, since our inception in 1977. Our mission is to provide East Harlem/El Barrio with high quality, comprehensive, accessible and culturally sensitive preventive and primary care services, and to coordinate the other levels of health care that are necessary. Additionally, we offer the community other support programs such as Social Services, HIV/AIDS counseling and testing, health education, health education, and perinatal services. We presently employ about 90 people and provide care to over 12,000.
